Re: Claims for Patent Appn No 10/729,725

Dear Commissioner,

I want to add some additional claims to my patent application number 10/729,725 entitled "Capsule Imaging System", filed 12/04 2003. These are claims 13 through 16 which are listed on page 2 of this enclosure. I did not calculate that there are any additional charges, so I have not enclosed a check.

Thank you and Best Regards,

John Weirich

Patent Appn No.:10/729,725; Filed:12/04/2003; Art Unit:3736; Applnt: John Weirich

13.A system according to claim 1, and alternative claim 2, wherein a non-ultra-wideband receiver is substituted for the electromagnetic wave receiver of said ultra-wideband radar sensor system.

14.A system according to claim 11, wherein a non-ultraviolet frequency sensitive receiver is substituted for said ultraviolet frequency sensitive detector.

15.A system according to claim 12, wherein a non-infrared frequency sensitive receiver is substituted for said infrared frequency sensitive detector.

16.A system according to claim 1, and alternative claims 2 through 15, wherein a transmitter is substituted for said transceiver of claim 1.
